

Dear ISSPIC XXI participants:

Please find attached to this e-mail the program of the

"21st International Symposium on Small Particles and Inorganic Clusters - ISSPIC XXI".

More detailed information can be found on our conference website:

www.isspic21.de

A detailed book of abstracts (pdf file) is published (only online) on our website:

<https://www.isspic21.de/schedule-program/book-of-abstracts/>

Some further important information:

- Conference registration on site will open Sunday, 03 Sept., 3pm at the Hotel Aquino (<https://www.isspic21.de/practical-infos/conference-venue/>)
- The welcome reception with some fingerfood and drinks starts on Sunday, 03 Sept., 6pm at the Hotel Aquino (<https://www.hotel-aquino.de/en/>)
- The registration desk will be open throughout the conference (Mo - Fr) at the lecture hall entrance next to the Museum of Natural History (<https://www.isspic21.de/practical-infos/conference-venue/>)
- The conference itself will start on Monday, 04 Sept., 9am in the Lecture Hall H 10, next to the Museum of Natural History.
- In the lecture hall EDUROAM wifi is provided. Please ensure that you have eduroam access through your home institution!
- Please check out the options for our Wednesday afternoon excursions (<https://www.isspic21.de/practical-infos/wednesday-conference-excursions/>). You will be asked to choose one museum destination upon registration.
- If your accompanying persons are interested in our sightseeing program that we will organize parallel to the conference schedule, please contact us at isspic21@uni-ulm.de for registration and further information.
- Please kindly consider to contribute an original paper to our PCCP Themed Collection "Size effects in the chemistry and physics of atomic and molecular clusters, nanoparticles and nanostructures". (<https://www.isspic21.de/schedule-program/pccp-themed-collection/>)

We are looking very much forward to welcoming you in Berlin in September.

All the best,

Thorsten Bernhardt, Karl-Heinz Meiwes-Broer, Thomas Möller and the local organization team
